Re: We the people require 3 Questions Answered [Yes or No] immediately
Emergency Zoom Meeting Required

Greetings Danielle and Tyler,

Time is of the essence in this country that we the people have a simple conversation publicly right now;
This link <https://www.bitchute.com/video/s1oVgsOOEfRg/> is the video communication on the public record;
The “Provincial Government of ALBERTA” is a service corporation... service corporations don’t write laws;
We the people across Canada see Danielle acting as a light to others as Premier to protect and serve;
We the people **require written reply post haste**...and on the public record to the following questions...

1. Does Danielle or Tyler [any man/woman] under your control claim i (we the people) property?
2. Does Danielle or Tyler [any man/woman] have contract privately i (we the people) property?
3. Does Danielle or Tyler [any man/woman] have contract i (people) property with a service corporation?

i, (we the people) require written verifiable evidence produced immediately if your answer is yes to above;
If the answer is “No” to 3 questions then jurisdiction [control] over any man/woman does not exists [fact];
i...claim trespass [Genocide, human trafficking, malfeasance] is occurring on your watch against we the people;
i...(we the people) require an emergency zoom meeting to address/act quickly to stop this trespass occurring;

God Bless and God Speed

i...Christopher

(on behalf of the great people in Alberta...across the great country Canada and all around the world)
