Details of living testimony in the form of an Affidavit

i:woman:Bodene [of the Rangiua family] the non assumpsit living Soul Author [LSA], known only as i:woman:Bodene of [REDACTED] Brabham, Western Australia state, Australia, near [6055], do solemnly, sincerely claim under penalty of perjury and full liability, be true;

1. This LSA has **never** participated in **any** foreign **occupying** 'AUSTRALIA INC UNIDROIT Government' elections, in **any way** whatsoever!
2. The LSA, through **Fraudulent Joinder**, was **deceived** into committing False Personation; consequently, on the 29<sup>th</sup> January, 2021, after a lengthy process of discovery, the LSA honourably hand delivered 11 pages known as 'Notice: Appearance' to the registrar [clerk of court] at the Magistrates Court of Western Australia, Mandurah; thus abrogating/cancelling and rescinding all usufruct/ostensible contracts/power(s) of Attorney(s), Pertaining to the legal Name/Person, ens legis Bodene Summer Downs Rangiua, BODENE SUMMER DOWNS RANGIUIA or any other similar style, Crown created legal Trade Names that deliberately mischaracteriser's this LSA, known only as i:woman:Bodene [of the Rangiua family]
3. A copy of the front page of the 'Notice: Appearance' provided by LSA was stamped 'as received' by the registrar [clerk of court], at the Magistrates Court of Western Australia, Mandurah; and subsequently the receipted copy was promptly returned to the LSA as proof of lodgement.

4. To this date there has been no rebuttal of the **LSA** actions of abrogation/cancellation described in point 2 above; in anyway whatsoever!
5. This **LSA** has received multiple window envelope correspondences in recent months, that have nothing of relevance to the **LSA** written on the outside of the actual envelopes; when one reluctantly peers through the window, all this **LSA** can cite is **illegible acronyms** that aren't defined within the Oxford Style Manual, yet accurately defined within the Chicago Manual of Style, under the foreign language's header: American sign Language 9ASLO Compound signs, 10.152 and glosses, 10.147.
6. This **LSA** lives in an **English-speaking Country**, and is **not** deaf.
7. For example, the style of '**BRABHAM**' needs to be adequately defined, so as to honourably comprehend the exact definition of this work/style in English; which can only be done by clarifying the source of origin in this particular style.
8. The **LSA** can confirm the Australian Website [www.truth-now.net](http://www.truth-now.net) run by Scott Bartell cannot be discredited and clearly explains a lot of the pernicious grammatical fraud that has engulfed Australia and its states and territories in a simple yet thorough manner for all to comprehend.
9. i:woman:Bodene [of the Rangiui family] is in no way obligated to adhere to any written or verbal direction which lacks complete clarity and full disclosure in definitive English; this **LSA** assumes zero commercial liability for directives deceitfully **Uttered** to a foreign estate trust(s) or transmitting utilities that are unmistakeably addressing a completely **foreign Maritime/Admiralty, Military** jurisdiction. [e.g.] BRABHAM/Mr, Mrs, Ms, Miss.
10. Drafting two or more languages onto a legal document is known as '**Glossa**' Black's Law Dictionary defines: 'GLOSSA' – '**it is a poisonous gloss which corrupts the essence of the text**' When using any Glossa, **deliberately** coupled with windowed enveloped to transfer commercial contractual documents, the author is knowingly trying to conceal or confuse the actual facts. No such combined jurisdiction can legally or lawfully exist.
11. Since this **LSA** previous Unrebutted 'Notice: Appearance' was handed to the registrar/Clerk of Court another was forwarded for the next appearance 12<sup>th</sup> February, 2021, the **LSA** sent communication via email on February 10th Notice: Trespass [forced mask wearing].
12. This **LSA** has yet again been deliberately mischaracterised, harmed and trespassed by the Foreign occupying MANDURAH, Western Australia Police as well as a familiar Magistrate Leanne Judith Atkins/LEANNE JUDITH ATKINS at the Magistrates Court of Western Australia, Mandurah.

13. The **LSA** hereby gives **due notice** to any and all relevant parties/agents representing the foreign **occupying AUSTRALIA INC UNIDROIT** Government; as of this moment onward; i, me, (us, we) hereby **revoke, rescind, remove, cancel, abrogate and deny** any and all assumed and/or presumed, ostensible or otherwise, power(s) of attorney(s) over my legal person, part and parcel, that any agent or representative thinks/assumes/presumes/considers they may or might have; previously invoked and/or, otherwise utilised, are hereby **revoked** from this dated **LTA** forward. Dated as now for then and then for now; nunc pro tunc, tunc pro nunc.
14. The **UNIDROIT** agents are using and abusing my given name without my knowledge, In Law, this is known as "unlawful conversion," a form of kidnapping of assets on paper, which converts the nature of an asset (from living man to corporate franchise for example) and the jurisdiction in which it operates (from land Law to Sea Law in this case). i object to having my Given Name used and abused in this fashion, and it is my will your corporation ends this venal practice.
15. This behavior is indisputably, flagrantly violating **Palermo Protocols** as Leanne Judith Atkins/LEANNE JUDITH ATKINS along with all agents representing the Magistrates Court of Western Australia, Mandurah; as well as all relevant heirs and successors are **"trafficking in persons"**. This means the recruitment, transportation, transfer, harbouring or receipt of persons, by means of the use or threat of force, or other forms of coercion, of abduction, of fraud, of deception, of the abuse of power, or of a position of vulnerability, or of the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purpose of exploitation and are doing so, now knowingly, willingly, wittingly and intentionally.
16. i:woman:Bodene [of the Rangiua family] live within the bounds of the Commonwealth of Australia De Jure Constitution Act 1901, as proclaimed and gazetted by the Common Law of England. The foreign **occupying AUSTRALIA INC UNIDROIT** Government rests precariously on the hard, as a bankrupted, derelict armada of dry-docked vessels, full of grossly ill informed; yet intuitively acquiescent Vassals. The aforementioned vessels lay upon the soil and land of Australia.
17. Leanne Judith Atkins/LEANNE JUDITH ATKINS is required to Honourably prove **legitimate jurisdiction** over **LSA** via an Affidavit of Truth, autographed by a natural representative, and witnessed by a Public Notary, **within 5 calendar days of this dated LTA**.
18. i:woman:Bodene [of the Rangiua family] is not a **thing**, nor a **discounted entity**, nor a legally defined **Person/Human Being**, under the Corporations Act 2001 (Cth). Nor is this **LSA** a voluntary franchisee! i:woman:Bodene [of the Rangiua family] is a **Commonwealth woman holding the 1901 Constitution of the Commonwealth of Australia as a successor to the original men and women in the Preamble**.
