Re: Notice Malfeasance

OPP File No. 2545021-0051 & 2545021- 0109

Priority: HIGH

Good Day,

So everyone is crystal clear...my name is Christopher James of the Pritchard family who with others have evidence on the massive lie our world has been given on Covid 19 Sars2. I have also been chosen as noticed multiple times by Gabriel Gilles of the Proulx family to assist/counsel at this time to disciplinary hearings;

i... do not represent or as lawyers do re-present a man or woman as a legal fiction [ex: PROULX]

The jurisdiction of all hearings has not been established **it is presumed** and operating based on fraud;

It appears the fact of fraud 'eviscerates' all in law is not understood by all to date which is disturbing;

This is very serious and using a 'Police Services Act'... under the colour of law to commit further fraud and malfeasance already established as of Sept 13th 2021 with NO response or evidence produced counter to verified claim[s] as filed has now grown tenfold since with professionals from around this world joining us;

We are over 30 days since the claim/evidence has been filed proving poison by way of experimental injections is occurring presented as safe 'vaccines'... with death/destroying occurring at alarming rate;

<https://rumble.com/vnmcxb-the-fda-did-not-approve-the-pfizer-covid-vaccine-dr.-peter-mccullough.html>

<https://www.drrobertyoung.com/post/transmission-electron-microscopy-reveals-graphene-oxide-in-cov-19-vaccines>

<https://citizenfreepress.com/column-2/top-immunologist-and-pro-vaccine-doctor-byram-bidle-issues-warning-the-spike-protein-in-covid-vaccine-can-kill-you/>

Your collective willful/intentional ignorance is on the public record...refusing this evidence is malfeasance;

The OPP is a service corporation with agents involved in massive trespass against we the people... and is not only recognized by the people but also those who are within the very ranks of the OPP and growing.

We are preparing court actions with the support of thousands many in your ranks who have had enough of this corruption and destruction of our country and world... so get on the right side of history and join us.

i... have been given authorization by Gabriel to accept/respond to all communications at this critical time;

i... will be on point on both fronts [hearing/our court actions] based on fraud and the malfeasance occurring;

i...have standing as having bared witness while appearing at said hearings by phone & all communications;

This trespass against Gabriel has allowed truth to come forth on multiple fronts and on a much higher severe level as thousands are injured or murdered since September 13th 2021 by the injections from a covid 19 lie;

Within the OPP it's senior command has turned its' back on evidence that should see all of you embracing the courage and verified evidence [truth] Gabriel has brought to all your attention with i to date;

Instead you stand in ignorance with other people from other service corporations [City of Belleville and the Belleville Police Service] and pursue an honorable man who loved his job simply being in a park with his family lawfully. The very fact that none of you can grasp service corporations [ONTARIO or CANADA ect] do not write laws over the people is foundational to these repugnant actions people within the OPP did and continue to undertake against the people right across this country...including people within your own ranks.

This is going to stop.... The level of deceit and corruption occurring is off the charts insuring action;

September 15th 2021 and October 13th 2021 is on the public record Gabriel made special appearances;

There has been no consent to this hearing/court proceeding only that it is understood all have received the claim and evidence package to date as filed September 13th 2021 also publicly posted at bit.ly/awcevidence

We require still a public emergency meeting which has gone ignored where i will bring said Dr's to the table with verifiable evidence to insure the truth is crystal clear and more importantly the required actions by all of you is acted upon like lighting to finally stop trespassing and protect and serve we the people;

To ignore said truths any further will be seen as an enemy of the people with the intent to do wrong & harm;

This hearing is supposed to be about the professionalism of the OPP... and yet everything surrounding this has shown there is no honor, respect, integrity or courage of anyone involved bound to their Oaths and duty;

Gabriel is NOT self-representing he appears in the same capacity he was in the park as a man not a person;

To learn the difference go to www.awarriorcalls.com and watch the 4 foundational knowledge videos;

Time is not on all our sides...we will see massive death and destruction that is going to occur and why this is the last chance for all of you to stand in truth with thousands now coming in law enforcement and together route out this evil ... we have the evidence and who's responsible it's time to arrest them all;

To show you all the simplicity in YOUR legal world...section 245 of the criminal code nails it;

Graphene Oxide has been confirmed in some vaccines... it's poison... that is murder whether it is instant as has been proven by released data ... or if it is slow death... its murder period and it must be stopped now!

In the lawful world...no man or woman can force anything on another man or woman without right.

Contract makes the law so produce the contract millions of people have signed with Trudeau or Doug Ford or any of their officers or agents of said service corporations giving such jurisdiction ... it does not exist.

Therefore, NOTHING they say or put pen to paper applies to we the people...produce evidence if not true.

Which also applies to a corrupt theatre "Ontario Re-opening Act/Emergency Act ect' being used as if lawful;

Withdraw these charges against Gabriel and all charges against the people OPP agents have laid;

We do not seek conflict...but all your actions to date bring conflict against the people with complete disregard to protect & serve as is your duty for this level of malfeasance will insure accountability in end;

With honor & respect,

Christopher James of the Pritchard family
