

Notice: Trespass

[Pedophilia, Kidnapping, Barratry, Trafficking, Extortion and Malfeasance]

We the people claim multiple people [Exhibits] did/do Trespass against their fellow man;

Verified 'Trespass [Theft]' people's property [children] by BAR members/Police/CPS and others;

We demand restoration of property for Christine Wall & Chris Lee, Dale Richardson and Pam Deol;

These people[s] property [children] have been taken without jurisdiction or verified trespass;

All involved require being brought to justice in a court of record moving under the common law;

Every man/woman when a claim of such magnitude is made right to seek justice is not denied;

The Law of the land [Canada] is common...common to the people...it is not of a 'legal jurisdiction';

Every man/woman receiving Notice: Trespass will be liable if immediate action to stop it ignored;

Claim[s] stated within this notice verified and true

Truth [unrebutted] makes the Law... not people acting in roles for service corporation[s]

Every man or woman named in Exhibit[s] must answer yes to one of the following questions...

The word 'who' used means simply a man or woman or one of the people... period... therefore...

- 1. Who claim i [we the people] property?**
- 2. Who claim contract exists i [we the people] property?**
- 3. Who acts for a service corporation with contract i [we the people] property**

Every man/woman named [Exhibits] or involved in this trespass must answer yes to questions;

Bring forth said man or woman with verified evidence addressing yes be true to above questions;

If not then no man/woman involved who trespass has jurisdiction or can administrate property;

No man or women who have trespassed [named] have lawful standing to carry out said acts;

This corruption is not limited to a province or territory it is happening worldwide and must stop;

Claim[s] verified Continued...

Pam Deol verifies/reports pedophilia against her daughter...then kidnapped/not seen 2+ years. Pam was locked up in woman's jail/ in isolation for weeks over 50 days Aug to Sept 2022; Pam repeatedly demanded court held to address trespass against all and denied to date said right; Her treatment at Milton Woman Correctional Center was horrific inhumane and a grave trespass.

Christine Wall and Chris Lee report youngest son sexually abused by man acting as principal. Then all of their property [3 children] taken at gunpoint inside house by the RCMP shortly after; They caused NO wrong/harm to their children and no verified claims/evidence exists to such fact; They have not seen their 3 children ages 10, 13 and 18 since January 2022... a grave trespass;

Dale Richardson uncovered serious corruption and trespassing occurring against we the people; He was arrested by RCMP and his eldest daughter **Kaysha Richardson** without warrant or charge; Both interrogated like criminals for days/locked up in jail or a hospital further terrorized; Neither caused any wrong/harm and Dales youngest daughter 3 yrs old taken unlawfully by people acting for service corporations [ward of the state] then given to the woman who trespass; Kaysha had to flee Canada under threat of her life by the very people who are to protect and serve;

These people have been destroyed and terrorized by a criminal judiciary operating in Canada;

The case[s]/court filings can be found at www.awarriorcalls.com as a light to stop this evil;

For evil to succeed requires good men & woman do nothing...we the people know...that you know;

Pedophilia worldwide is an affront to freedom and god our creator who's law reigns supreme;

Immediate action required by ALL who receive this Notice: Trespass...to not act condones & liable;

We the people are awake and growing in vast numbers to these horrific trespasses occurring;

We the people will not tolerate horrific acts by people entrusted to protect property of man;

We require all who receive said Notice: Trespass produce evidence counter to 3 questions or act;

Restoring said children immediately must occur for all... for there are many others worldwide;

The people of Canada love thy neighbor and will fight to the end to wipe this evil from this earth;

Please copy all replies to this Notice to awarriorcalls@outlook.com so it is on the public record;

We require written contact is made to the people [exhibits] involved causing wrong and harm;

Maxim in law: Ignorance of the law is no excuse

We await your immediate response and confirm action is occurring to address these people asap;

God Bless and God Speed,
One of We The People
