3rd Communication /Final Notice

Re: Trespass on the case Fred L Myers [Sekulovski Court File# CV-20-00003546]

Date: February 26th, 2021

Good Day Fred...

This is a 3rd Communication /FINAL NOTICE to honorably correct and move forward;

Again trespass by way of 'Endorsement' Wed 2/24/2021 2:23 PM on the 'Sekulovski Court';

Fred as a public servant by and for the people requires evidence produced to jurisdiction [control];

Produce your oath Fred...you serve i...i...don't serve or stand under anything Fred writes;

Produce post haste findings of facts and conclusions in law the 'Rules of Civil Procedure' apply to i,

This is plain English a 2 year old could grasp but somehow Fred or any other BAR member can't;

Maxim in Law: Ignorance of the law is no excuse

i, have communicated the required evidence be produced for 8 months and still no evidence produced;

The only gibberish resides within Fred communications that are nothing more than beliefs not law;

We the people hold the right to access and move court and claim before a jury of our peers... without obstruction to seek the administration of justice. A public hearing is demanded on jurisdiction set it up!

Again endorsement communicated is not accepted/void/returned February 24th 2021 with prejudice;

Restore 'Sekulovski Court' [property] immediately with hearing date with court staff or Fred is liable;

Fred this is on the public record a 3rd time to trespass [obstruction] without right or evidence produced;

i, wish to forgive this trespass on the case and not escalate further court actions with a hearing date set;

Your honor/capacity to act and serve we the people remains not ignoring your oath to deny a right;

Trial by Jury DEMANDED... not a man or woman acting as Justices with no jurisdiction or right;

It will be clear to a jury of our peers where vexatious actions occurred and by who if not corrected;

i, stand fully liable if claims not be true and it will be a jury of my peers [people] who decide not Fred;

This 3rd communication is the last to receive the required 'finding of facts and conclusions in law';

Govern yourself accordingly move public hearing forward and do not obstruct a right of the people;

i, will swear under oath or affirmation that all here in said be true.
