Re: 'Parhar Court' file no: 233120

Greetings Steven,

i, am counselor at law assigned to the 'Parhar Court' established November 13th 2020;

i, address any/all communications of said court/claim to insure 'trespass on the case' does not occur;

i, have been given today a copy of your communication dated Nov 27th 2020 & Dec 11th 2020;

i, do not see Steven Shergill named as one of the people involved with standing in the 'Parhar Court';

i, do see multiple legal references made in your communications & 'BC Supreme Court Civil Rules';

Note: as filed this is NOT a legal proceeding and said rules do not apply to "Parhar Court" or people;

Produce the obligation [contract] or wet signature Mak of the Parhar family has given such consent;

Otherwise Steven has no standing and will 'Trespass on the case' if not stopped ['Notice: Liability'];

i, trust this is clear required evidence Steven relies produced post haste and verifiable to standing;

Dave Jansen was properly served who has standing to defend the claim[s] of trespass;

Otherwise, your communications are returned having no standing in the 'Parhar Court' at this time;

Should Steven wish to have standing please provide in writing with wet signature to my attention and the Registrar that Steven a man who sometimes acts as a lawyer for YOUNG ANDERSON agrees to be liable for any/all communications or actions surrounding 'Parhar Court' if not true;

i, will gladly amend the claim to include Steven Shergill within the filing so you have standing;
Know first your current belief...which is not based on law on 'BC Supreme Court Civil Rules' apply;
Produce 'findings of facts and conclusions in law' verifiable and with wet signature to this belief;
Supreme Court of British Columbia New Westminster Registry is a public courthouse not private;
Public courthouses are not a place we the people access based on 'beliefs' it is based on law;
This country is founded on 'common law' the unwritten law from our creator do not trespass;
This is a 'common law' not a 'common legal' country...not a belief but truth Steven should know;
Legal applies to that which is incorporated.... Lawful applies to a [wo]man...or people not persons;
Sadly this is fact not taught to BAR members and why we have public courthouses to correct simply;
i...trust this is clear Steven has no standing and will not trespass on the case [Notice: Liability];
Maxim's in law to help you....contract makes the law... Ignorance of the law is no excuse.
Govern yourself accordingly and honorably at all times.

Kind Regards,
Christopher James

Counsel 'Parhar Court'
