**Re: OPP File Number: 2545021-0051**

**Priority: HIGH**

Good Day All,

Memorandum Communication confirmed receipt dated September 23, 2021 of 8 pages as attached.

Gabriel gave notice I am his chosen counsel surrounding OPP File Number: 2545021-0051 as is his right; I do not represent Gabriel in any capacity my professional background provides counsel on law/jurisdiction;

Gabriel was not off duty during this trespass at a public park... he was on medical leave due to stress. For an organization of people at the highest level such as the OPP to ignore foundational truth filed September 13<sup>th</sup> 2021 to then turn around and create another baseless complaint for standing in truth exposes malfeasance.

i...am not bound by a police services act... every man and woman at the OPP serves we the people and that service is now fully exposed for massive wrong and harm beyond this matter for ignoring massive truths.

i...as one of the people have a duty to expose/root out corruption especially legal processes based on fraud;

My role in this and standing is as one of the people barring witness to the corruption and tyranny occurring against all the people of this country right now... including Gabriel who has done no wrong or harm;

September 13<sup>th</sup> 2021 i... along with Gabriel filed verified evidence Covid 19 Sars2 has not been isolated; As of today October 12<sup>th</sup> 2021 no evidence as required has been produced showing our claims not be true; This hearing "process" is moving against Gabriel unlawfully and without jurisdiction [control];

This so called "complaint" and process is 100% based on a lie Covid 19 Sars2 exists... it does not as fact; Secondly we have intentional malfeasance occurring on the record evidence as filed is/has been ignored;

i...will appear by phone with Gabriel October 13<sup>th</sup> 2021 surrounding this hearing as witness and counsel should Gabriel require at any time. Gabriel the man is not bound to use a lawyer... produce the law;

Gabriel will be making a 2<sup>nd</sup> special appearance to accept all and any evidence counter to our evidence as filed or a verified claim he has caused wrong or harm;

If this hearing does not discharge and withdraw all unlawful actions against Gabriel then we will be left no choice but to move claim and court against all on the public record of this malfeasance and root out this vexatious, frivolous and baseless action which it is without counter evidence to September 13<sup>th</sup> 2021 filing;

Service corporations do not write laws who all involved are acting through surrounding this hearing.

The level of malfeasance occurring is off the charts and now seen by we the people and it is unacceptable; We will look to settle this matter during Gabriel's 2<sup>nd</sup> special appearance honorably...

With honor & respect,

---
