**RE: TRESPASS [Malfeasance, Murder, Genocide]**

Dear Paul, Sheilah, Brian and all members ACTING for the POLICE SERVICES BOARD,

i, Linda Marie of the Audette family, Stephanie Anneliese of the Nott family, Jennifer Michelle of the Buckner family, and Anna Marie of the White family, bring forward a claim of trespass and verified evidence to the service corporation "GREATER SUDBURY POLICE SERVICE" on this day Tuesday November 30, 2021,

the same evidence also filed:

"**Notice: Trespass (OPP File Number: 2545021-0051)**" on September 13, 2021, to the service corporation "ONTARIO PROVINCIAL POLICE"

and

"**Notice: Trespass (File Number: SM21028560)**" on November 11, 2021, to the service corporation "SAULT STE MARIE POLICE SERVICE".

**FACTS:**

1. **The alleged SARS COV-2 (COVID-19) HAS NEVER BEEN PURIFIED/ISOLATED IN A LAB!**
2. **An alleged virus must be purified first then it's properties investigated, OR FRAUD occurs after;**
3. **All testing/lockdowns/"vaccines" are unlawfully founded on massive fraud NOT science.**
4. **As the SARS COV-2 (COVID-19) does not exist, there is no longer a reasonable justification for any (wo)man to submit to any of the "COVID-19" mandates.**

**THE COVID-19 FRAUD & WAR ON HUMANITY [Verified Evidence to this claim filed]**

By Dr Mark Bailey and Dr John Bevan-Smith

<https://drsambailey.com/2021/11/11/the-covid-19-fraud-war-on-humanity/>

The steps required to prove existence of a disease-spreading "virus" (purification from patient samples, then: characterization, sequencing, controlled experiments) have NEVER been done.

Evidence filed exposes the massive poisoning, malfeasance and genocide against humanity is occurring via the COVID-19 "vaccine".

Graphene oxide is a confirmed constituent in some injections, and any injection that occurs without full disclosure, or even worse, injections occurring as a result of threats, coercion, extortion, or persuasion is assault or attempted murder, whether death is instant or delayed.

The Nuremburg Trials and Code are recognized worldwide and experimentation without lawful consent is **NEVER** to occur against mankind. Under the **Nuremberg Code**, in which Canada is a signatory, no one may be coerced to participate in a medical experiment. The individual's informed consent is absolutely essential.

i, draw your attention further that in the legal world which Police operate section 245 of the Criminal Code of Canada: "**Everyone who administers or causes to be administered to any person or causes any person to take poison or any other destructive or noxious thing is guilty**". The public health measures and "vaccine" mandates that require the (wo)man to be "vaccinated" are coercing (wo)man to take the poisonous "vaccine"

and therefore the people responsible for imposing and enforcing the mandates and restrictions are **GUILTY** of an indictable offense. This trespass is GENOCIDE.

Further is the fact of Law, unless Brian Bigger, Doug Ford, or Justin Trudeau or ANY people under their control, through ANY service corporation[s] that they act for, such as GREATER SUDBURY POLICE SERVICE, SUDBURY, ONTARIO, CANADA, must come forth and claim:

1. i (man/woman/people) are their property
2. Contract exists i (man/woman/people) relinquished “un-a-lien-able” rights from our creator God;
3. Contract exists i(man/woman/people) relinquished our “un-a-lien-able” rights to a service corporation;

If the answer is NO to all 3 questions, then there is NO jurisdiction [control] period that is the Law;

i, file this evidence today in the name of every great man and woman, who put their lives on the line every day, so that they are given what they need to protect their fellow man. TRUTH is the first casualty in war; this is a war before us all and is against mankind worldwide. i, require all to whom this communication is directed to get on the right side of history as every second counts.

We the people demand that the service corporation “GREATER SUDBURY POLICE SERVICE” investigate these claims immediately. The service corporation “GREATER SUDBURY POLICE SERVICE” must provide evidence counter to the above stated **FACTS**. All men and women have a duty to ACT. This is not a game; people are being murdered before our eyes due to the SARS COV-2 fraud.

Choosing to seek truth and stand on it requires courage. The man, Christopher James of the Pritchard family, whose seal is affixed on the filing “**Notice: Trespass (OPP File Number: 2545021-0051)**”, attesting alongside the OPP officer Gabriel Proulx that all filed herein be true under penalty of death, offers immediate support to your organization to address these horrific verified truths requiring immediate action;

The time is now to come together in this region called Wahnapiatae First Nations and Atikameksheng Anishnawbek First Nation and be a light to this world. This is a trespass that has been committed against you Paul, Sheilah, Brian and other men and women who ACT as members of the POLICE SERVICES BOARD. You have been trespassing against we the people, without right, due to lack of knowledge, until this moment. There is no excuse now. Your oath to protect and serve must guide all of you to act immediately. We, together, will stop this attack by domestic and foreign entities who are attempting to destroy our country and ultimately, Humanity. **THIS IS OUR MOMENT, WE MUST PROTECT THE PEOPLE!!!**

Once you stand with your fellow people, you will realize that millions of honorable men and women are already here standing shoulder to shoulder, waiting to take action, to fight this evil upon us all.

The VERIFIABLE Evidence [pdf and video] is found at this link for the whole world to see...

**[BIT.LY/AWCEVIDENCE](https://bit.ly/awcevidence)**

i, have lived a life of peace with my fellow people doing no wrong or harm and will continue to do so.

i, affix my seal and state all herein be true under penalty of death so help me God.

Seals of Christopher James, Gabriel Gilles [OPP], Christine Anne and Timothy Miles [Retired Deputy Chief/Fire Services 31 years] affix their seals all here in said be true so help us God under penalty of death.

Now is our time to join together and face this evil. God Speed to us all.

Grace abounds,

Linda Marie of the Audette family

Stephanie Anneliese of the Nott family

Jennifer Michelle of the Buckner family

Anna Marie of the White family

Christopher James of the Pritchard family

Gabriel Gilles of the Proulx family [OPP]

Christine Anne of the Massey family

Timothy Miles of the Calhoun family
