Re: Ozelie [REDACTED] – Complaint of theft of property and fraud

Dear Mr. [REDACTED],

In response to your correspondence of July 27th, 2016 to the office of RCMP Commissioner Paulson, a review of your concerns was conducted. You advanced several allegations pertaining to a land dispute between families in the Shediac, New Brunswick area which dates back several years.

The analysis of the information at our disposal, some of which was included in your correspondence, revealed that since 1996 Justices of the New Brunswick Court of Queen's Bench in two distinct cases as well as one Justice of the New Brunswick Court of Appeal have rendered clear and decisive rulings as it pertains to civil actions about the said land dispute. Each of the rulings did not favour the [REDACTED] family.

Your submission did not support your allegations of a corrupt justice system and incompetent police officers in Moncton New Brunswick. That said, it is abundantly clear that this matter is civil in nature. Same was dealt with the only way it could be, through the civil courts in New Brunswick. This is not a police matter.

Mr. [REDACTED], based on all that we have examined and on what you provided in your correspondence, the RCMP in "J" Division will not initiate a police investigation.

Supt. Don ALLEN
Acting Officer in Charge Criminal Operations
