Re: 3rd FINAL NOTICE TRESPASS

Date: September 17th 2026

Greetings Myron, Falguni, Olivia, Wendy, Doug and Doug...

i...a man claim all received 3 Notice[s] Trespass, all acquiesced providing NO contract or claim to jurisdiction;

i...a man claim trespass [Exhibit #1] by multiple people acting under your direct control/service corporations;

Trespass by a man acting officer #13156 Platoon CRU Unit 52 on August 18th, 2026 under Myron control;
Trespass by a man acting officer# 12052 Platoon C Unit 52 on August 18th 2026 under Myron control;

i...was not operating under any license at time of trespass but exercising my right to travel freely;

A license was produced under duress at that time to avoid conflict insure safety at side of the road for all;

There is no law that requires [wo]man to have license to travel on public roads **so produce it FOR ALL TO SEE**;

The "Highway Traffic Act" is NOT law... it is policy written by people acting for service corporations **[FACT]**;

Toronto Municipal Bylaw is also **not law but policy** written by people acting for a service corporation **[FACT]**;

No people at service corporation[s] write law[s] with jurisdiction over we the people....a POWERFUL FACT;
This includes any and all codes, rules, statutes especially by-laws are ALL service corporations policy NOT law;
Maxim in law... Ignorance of law is no excuseand ... contract makes the law [fact];

All involved especially officers are ignorant of law they are policy enforcers trespassing against we the people;
All people on this notice run service corporations [administrative] require contract/consent to have jurisdiction;
Neither exists with i... or we the people across Canada and the world for that matter your corruption stops now;
Jurisdiction is established instantly if people trespass such as breaching the peace or causing wrong or harm;
At no time did I trespass against another [wo]man nor was i in breach of any contract which does not exist [fact];
Yes a license was only produced under duress at that time to avoid conflict at side of the road safety to all;
This is how we address fraud and law openly, honorably and on the public record which this is and will be seen;
i...claim...both "Offence Notices" were accepted conditionally if a verified claim of trespass or contract exists;
Public courthouses are not for constructive fraud [trespass] against we the people by people providing services;
i, require produced post haste written verifiable evidence contract or claim relied exhibit #1 to jurisdiction a

1. debt be due
2. debt be true
3. debt be past due

Failure to produce required verifiable evidence [contract] to jurisdiction then that only leaves i must be property
So...

1. Who claim i property on this notice or any [wo]man acting under your control ?
2. Who claim i property on this notice or any [wo]man have a contract on private side as a fact?
3. Who claim i property hold contract with any service corporation agents involved with my wet signature?;

Failure to produce this required evidence on both fronts then NO JURISDICTION, NO DEBT only FRAUD exists;
Failure to produce this required evidence on both fronts then my trespass claim be true... stop it now or liable;
Failure to stop/correct the record by all honorably is required providing good faith and service duties your liable;
Failure to stop/correct the record by all honorably as is your corporate required duties all corporations liable;
i, wish to live in peace forgive trespass and settle honorably...withdraw offence Notice[s] stop this trespass;
This has caused i wrong and harm..... no one here is 'protecting and serving' we the people it's horrific fraud;
i, have acted honorably standing in the light requiring all of you to do the same govern yourselves accordingly;
If what i, claim not be true then produce written verifiable evidence on the public record or correct the record;
Massive fraud is occurring with liability on all of you against we the people you claim to serve and protect [FACT];
Thank you for your immediate attention this is a very serious trespass affecting all unlawfully creating conflict;
i, give 48 hours produce written verifiable evidence to jurisdiction on exhibits presumed debt[s] be true;

God Speed and God Bless,
Mark of the Theodoru family
