By now the weekend has passed and I still have not heard from Peel CAS regarding a report I filed to them regarding a recording a girl confiding in me about abuse she experienced while in her father's care.

As a person of average intelligence this does not make any sense to me. So I ask the following questions:

Is/are any members of Peel CAS on the payroll of Lorne Levine or Molly C. Leonard/Patel Leonard Law?

If so, which ones and how are they paid?

I want proof that Gia Williams was not committing a crime by forwarding my information to the counsel of the person the little girls said abused her.

If she is guilty, should she be charged criminally?

As the list below suggests, is Mila Mulrone, mother of Carolyn Mulrone a female pedophile? Since Carolyn Mulrone removed independent oversight from Children's Aid Society, would it be reasonable to assume female pedophiles operate within CAS in Peel and other locations? Are the conspiracy theories about true? Do they operate within our government?

I expect answers to the above questions, in writing.
