Re: Report Trespass [Theft: Property: Court file: CV 19-00000081]

Good day Lynda and Geoffrey,

To assist both Staff Sgt Cathy McCrory [RCMP] and Thomas Carrique [OPP Commissioner] who are not BAR members but required to understand the law;

What is '**Tacit Procuration**' (e.g.) If someone accuses you of theft in writing and you fail to respond or deny those allegations with written verifiable proof... then your [in this case Lynda and Geoffrey] **failure to deny or act** [November 8th, 20th, 25th, 26th letters] is considered an **admission of guilt.**

The above is **fact [truth] in law**...let this fact be crystal clear to all moving forward;

i, claim;

1. Trespass [theft] of property [Court file: CV 19-00000081] by a woman Lynda C. Templeton;
2. A man Geoffrey B. Morawetz [Chief Justice] received report of trespass [theft] failed to deny;
3. Lynda and Geoffrey did not respond, with evidence, written & verifiable [failed to deny 3 times];
4. **Tacit Procuration** be true [admission of guilt/fail to deny] Lynda and Geoffrey theft of property;

Further i, require [demand] Lynda or Geoffrey produce today in writing to Cathy, Thomas and [REDACTED]

1. Public law that states we the people [man or woman] are bound to the 'Rules of civil procedure';
2. Public law people can only access public courthouses if 'rules of civil procedure' used;
3. Public law people must converse in legalese in order to pursue claim at a Public courthouse;
4. That property [Court file: CV 19-00000081] filed was not at a PUBLIC courthouse was PRIVATE;

If Lynda or Geoffrey fail to produce public law or evidence in writing by 5pm then trespass be true;

This also requires Cathy produce these laws or duty requires Lynda & Geoffrey arrested;

Thomas Carrique [OPP Commissioner] also must produce the law or his duty is also to arrest;

However, **IF** Lynda and Geoffrey decide to act honorable and correct their actions today posthaste and execute the following, then trespass will be forgiven;

1. Confirm in writing the immediate restoration of property [Court file: CV 19-00000081]
2. Confirm Public Process Hearing date is set for [REDACTED] Court' January 4th 2020@ 1pm;
3. POA trial set December 3rd 2019 by Walter Rojek is stopped set 'jurisdiction' hearing Jan 2020;

i, will swear under oath or affirmation that all herein said be true.

[REDACTED]
