Re: TRESPASS [Malfeasance, Murder, Genocide]

Dear Lee (a woman who sometimes ACTS as Assistant Commissioner, Commanding Officer, Nova Scotia)
and all members ACTING for the ROYAL CANADAIN MOUNTED POLICE SERVICES BOARD,
KINGSTON/NEW MINAS, NOVA SCOTIA

i, Angela Joyce of the Terwogt family, bring forward a claim of trespass and verified evidence to the service corporation “KINGSTON ROYAL CANADIAN MOUNTED POLICE SERVICE” on this day Monday January 10, 2022. The same evidence also filed “**Notice: Trespass (OPP File Number: 2545021-0051)**” on September 13, 2021, to the service corporation “ONTARIO PROVINCIAL POLICE”.

FACT:

1. **The alleged COVID 19 SARS-2 HAS NEVER BEEN PURIFIED / ISOLATED IN A LAB!**
2. **An alleged virus must be purified 1st then it's properties investigated ... or fraud occurs after;**
3. **All testing/vaccines/lock downs... are unlawful founded on massive fraud not science;**

THE COVID-19 FRAUD & WAR ON HUMANITY

[Verified Evidence to this claim filed] by Dr. Mark Bailey and Dr John Bevan-Smith

<https://drsambailey.com/2021/11/11/the-covid-19-fraud-war-on-humanity/>

The steps required to prove existence of a disease-spreading “virus” (purification from patient samples, then: characterization, sequencing, controlled experiments) have NEVER been done.

Evidence filed exposes the lie of massive poisoning, malfeasance & genocide against humanity is occurring;

Graphene Oxide is a confirmed constituent in some injections, and injection that occurs without full disclosure, never mind injections occurring as a result of threats, coercion, extortion, or persuasion is attempted murder, whether death is instant, or slow.

The Nuremburg Trials & Codes are recognized worldwide and experimentation without lawful consent is **NEVER** to occur against mankind.

i... draw your attention further that in the legal world which Police operate section 245 of the Criminal Code of Canada: *‘Everyone who administers or causes to be administered to any person or causes any person to take poison or any other destructive or noxious thing is guilty’*... But this trespass is genocide.

Further is the fact in Law... unless Tim Houston, Michelle Thompson, Robert Strang, John Lohr, Lee Bergerman, all **members ACTING for the ROYAL CANADAIN MOUNTED POLICE SERVICES BOARD** or Justin Trudeau or ANY people under their control, through ANY service corporation[s] they act for... such as KINGSTON, NOVA SCOTIA CANADA... must come forth and claim...

1. i (man/woman/people) are their property
2. Contract exists i (man/woman/people) relinquished ‘un-a-lien-able’ rights from our creator God;
3. Contract exists i (man/woman/people) relinquished our un-a-lien-able rights to a service corporation;

If the answer is NO to all 3 questions... then there is NO jurisdiction [control] period, that is the Law;

i... file this evidence today in the name of every great man and woman that go into a profession to protect their fellow man so they all are given what they deserve for putting their lives on the line every day... TRUTH... Which is the first casualty in war....and this is a war before us all is against mankind worldwide; i... we the people require all on this communication get on the right side of history as every second counts.

i... require that the service corporation “KINGSTON ROYAL CANADIAN MOUNTED POLICE SERVICE” investigate post haste these claims immediately (as we the people demand).

The service corporation “KINGSTON ROYAL CANADIAN MOUNTED POLICE SERVICE” must provide evidence counter to said claims **NOT** be true. All men and women have a duty to ACT this is not a game, people are being murdered before our eyes because of the Covid Sars2 lie.

Choosing to seek truth and stand on it requires courage. The man, Christopher James of the Pritchard family, whose seal is affixed on the filing “**Notice: Trespass (OPP File Number: 2545021-0051)**”, attesting alongside the OPP officer Gabriel Proulx that all filed herein be true under penalty of death, offers immediate support to your organization to address these horrific verified truths requiring immediate action;

The time is now to come together in this region called Bawating and be a light to this world. This is a trespass that has been committed against men and women who ACT as members of the ROYAL CANADIAN MOUNTED POLICE SERVICES CORPORATION. You have been until this moment trespassing against we the people without right due to lack of knowledge... there is no excuse now. Your oaths to protect and serve must guide all of you like lighting as we together will stop this attack by domestic and foreign entities involved to destroy our country and ultimately the world... this is our moment we must protect the people!!!

Once you stand with your fellow man you will realize that millions of honourable men and women are already here waiting and about to take action standing shoulder to shoulder and fight this evil upon us all.

The VERIFIABLE Evidence [pdf and video] is found at this link for the whole world to see. <http://bit.ly/awcevidence> **BIT.LY/AWCEVIDENCE**

i...have downloaded this evidence package on USB port enclosed within this package, along with the Helsinki Act PDF, cease and desist PDF and open letter and notice PDF from doctors and scientists to the EMA and all members of the European Parliament regarding the harm and death the vaccine is causing. <https://doctors4covidethics.org/as/>

i...have lived a life of peace with my fellow man doing no wrong or harm and will continue to do so.

i... affix my seal and state all herein be true under penalty of death so help me God.

Seals of Christopher James, Gabriel Gilles [OPP], Christine Anne and Timothy Miles [Retired Deputy Chief/ Fire Service 31 years] affix their seals all here in said be true so help us God under penalty of death.

Now is our time to ride out and face this evil together... God Speed to us all.

Grace abounds,

Angela Joyce of the Terwogt family, dated January 10, 2022
