**Re: Notice Trespass [Personage / Malfeasance / Barratry]
Notice Fee Schedule**

Richard, Lise, Carol, Jackie, Doug, Kerri, Brenda and Thomas

i:man:John of Peters family (Exhibit A) and my family involved do here by give further ‘Notice Trespass’;

i:man:John of the Peters family am not a ‘person’ (Exhibits B) service corporations created without right;

A person is a legal construct used to commit massive malfeasance/barratry under the colour of law;

Legal does not apply to any man a woman without our consent to accept such fictions created when born;

All involved as named above have and continue to trespass via this corrupt system without right;

Ignorance of the law is no excuse a maxim in law;

Clearly these verified facts are ignored by people acting as Police or BAR members with no jurisdiction over we the people unless there is a verified claim of trespass causing wrong or harm or contract produced

Law on this land comes from our creator God not people acting via any service corporations or the BAR;

i...require your evidence produced we the people are ‘legal persons’ created without consent or contract;

When i and my fellow man are born [not birthed] trespass occurs creating said 'legal person' Exhibits B
Through this fraud/barratry by BAR members these courts are operating committing constructive fraud;
Evidence is shown on all 'offence' tickets being created without contract showing PETERS, JOHN;
This fiction is shown all offence tickets [Tacit agreement exhibits 2] actions taken against... not i a man;
This corruption is foundational to BAR actions/profit via ignorance of the people causing wrong and harm;
This is placed on public record today requiring all to cease and desist immediately trespass against man;
This constructive fraud will not be tolerated any further by all of you who willfully ignore verified facts;
i, give further on this day 'Notice Fee Schedule' to any orders given to contract without jurisdiction;
So all on this communication including any people acting as agents or officers under your control know...

1. Any order compelling i or my family to perform without right the fee per order \$100,000 charged
2. This fee will be retroactive from the first day of trespass against every man and woman involved
3. No man or woman in this world can be compelled to perform without contract or just compensation
4. People have the right to decline/consent to any contract or be compelled to preform without right
5. Ignore Notice Fee Schedule and continue will confirm all involved consent to contract with i

December 8th 2022 we have received multiple 'orders' in writing to contract [Exhibits 3] Notice of Trial
If this corruption does not stop in writing prior to December 8th 2022 appearance fee schedule is active;
i...and my family stand in honor against a mountain of evidence all involved are causing wrong and harm;
Correct this record post haste we wish to forgive said trespass but if contract occurs we will seek debts due;
The trial set by agents under all your control in the judiciary is exposed remove them all and inform public;
i...and my family trust this is crystal clear to all on the trespass and malfeasance occurring against people;

Sincerely,

John of the Peters family and on behalf of my family
