**ORDER**

**WHEREAS** this Court issued a notice of status review dated August 29, 2022;

**AND WHEREAS** that notice required the appellant to serve and file submissions as to why the appeal should not be dismissed for delay;

**AND WHEREAS** that notice also required the appellant to provide “an explanation as to why the appellant has not complied with the Court’s Order of May 11, 2022”;

**AND WHEREAS** the deadline for those submissions was September 28, 2022;

**AND WHEREAS**, by direction dated September 23, 2022, the appellant was reminded that his submissions were due on September 28, 2022; and that direction warned him that failure to file submissions by that time would result in the dismissal of this appeal without further notice to him;

**AND WHEREAS**, although the Court is satisfied that the notice of status review has come to the appellant’s attention, the appellant has failed to serve and file his submissions;

**AND WHEREAS** the delay in this appeal is not acceptable and warrants a dismissal of the appeal;

**AND WHEREAS** the notice of appeal and the appellant's failure to explain his non-compliance with the Court's Order of May 11, 2022 call for the Court's response under Rule 55; accordingly, in these special circumstances, the Court is of the view that appellant should not be allowed to invoke the power of this Court under the *Federal Courts Rules* to reconsider, amend and vary this Order;

**THIS COURT ORDERS** that the appeal is dismissed. This Order shall not be subject to reconsideration, amendment or variation and any request for same by any person shall not be filed.
