Re: Court File no. FBWPSA No. [REDACTED]

Greetings Cindy,

- i, have recently been asked to help a woman [REDACTED] of the [REDACTED] family at this time;
 - i, confirm to act now as ‘counselor at law’ [not a lawyer or acting within a legal system];
 - i, am not here to bring controversy into this court but to address and insure correct jurisdiction;
 - i, have informed [REDACTED] she must act honorably and quickly to address this serious matter;
 - i, have no standing in this Court File no. FBWPSA No. [REDACTED] but bear witness at this time;
 - i, have reviewed current communications and past audio recordings of conference calls;
 - i, was shocked and disturbed to hear what was occurring and why jurisdiction challenged;
 - i, insure this communications addresses honorably the required evidence produced at this time;
 - i, recognize the importance and required action by way of lawful proceeding to establish a court of record moving under the common law [not a legal proceeding] to resolve this matter.
- [REDACTED] has been under enormous stress dealing with past lawyers and this current court;
- [REDACTED] is of sound mind but did not know difference between legal and lawful now she does;
- i, informed move claim and court...trial by jury ASAP which will require your assistance;
 - i, will not be speaking on this conference call unless Cindy wishes to communicate;

i, have informed [REDACTED] not to speak further on this call until jurisdiction proven in writing;

i, have and will continue to insure all communications in writing are honorable and valid;

This complete communication on November 4th 2020 is filed and on the public record;

i, look forward to seeing this matter resolved quickly for both [REDACTED] and [REDACTED];

But more importantly for their children who are both [REDACTED] and [REDACTED] property to protect;

Kind Regards,

Christopher
