Re: Final Notice: Trespass (Malfeasance, Fraud, Barratry)  
Court File No. 380999210270

## Final Notice: Trespass

Good day Richard and George,

This 3<sup>rd</sup> and 'Final Notice: Trespass' communication is on the public record;

i...attach again all prior communications on the public record;

i, demand as public servants your very oaths require a duty to stop said trespass causing wrong and harm;

Friday October 29 2021... i, for 5<sup>th</sup> time made a final 'special appearance' to accept any all verified claims;

Once again no verified claims i trespass causing wrong or harm or contract/evidence produced to jurisdiction;

Witnessed by...

- Jennifer L. Robinson (a woman who sometimes ACTS as Justice of the Peace 'ONTARIO')
- Seamus Feeney (a man who sometimes ACTS as Prosecutor 'BARRIE');
- Christopher

Further Jennifer L. Robinson confirmed on the record a 'fiction' is moving said court against i ?;

A fiction cannot speak or breathe nor does it have flesh and blood as is my right to face my accuser;

This fact was stated on the record by Jennifer confirming Jennifer is moving this court and no one else under the colour of law in breach of her fiduciary duty and oath of office to serve we the people;

If we the people appear in a court and state a 'fiction' is guiding us we would have a psych evaluation ordered immediately and yet this woman as all other people acting as justices also hold the same belief;

It is clear all people named/acting as Justices are either ignorant of law or willfully codon Barratry/fraud;

Every man and woman acting as a justice [public servant] has no jurisdiction over a man/woman or people;  
Unless...

1. A man or woman acting as Justice/Judge claim i...property;
2. A man or woman acting as Justice/Judge have contract with i relinquishing my un- a-lien-able rights;
3. A man or woman acting as Justice/Judge have contract with service corporation they act thru with i;

The answer is NO to all points meaning no man or woman can administrate 'un-a-lien-able' rights of people;

Every man and woman involved acting through service corporations did/does 'Trespass' without right;

All named in this letter have had ample time to produce required evidence to jurisdiction or a court created;

In addition 'Rules of Civil Procedure' do not apply to we the people produce verifiable evidence if not true;

Richard and George you have 24 hours to communicate this fraud/court is discharged or claim and court will commence against all involved with my fee schedule established retroactive which I will secure against all bonds that are in place to address this very corruption and unlawful actions by public servants who trespass;

Further...this link [iron clad evidence] filed by OPP officer on the Public record September 13<sup>th</sup> 2021...

**[bit.ly/awcevidence](https://bit.ly/awcevidence)**

This evidence link proves a massive fraud this court is moving under  
The presumed jurisdiction is based on fraud and now exposed as false;

**Stop This Fraud Immediately**

**Discharge this fraud Court No. 380999210270 now for it is the lawful and honorable action required;**

Kind Regards,

Jamie of the Russo Family
