Re: 3rd Notice : Trespass August 18th 2022
Your ticket reference #3474502F and 347503F

i: man Thomas Charles of the [REDACTED] family now give 'Notice: Trespass';
i claim trespass at border August 18th 2022 did/does occur cause wrong and harm without right;
i confirm Dec 29th 2023 receiving some 'DISCLOSURE SUBMISSION' via email;
i accepted said 'DISCLOSURE SUBMISSION' **conditionally** a verified claim or contract exists;
Neither verified claim or contact exists from a man or woman required to establish any court;
i, return this document again it has no jurisdiction [control] or lawful standing without said evidence;
Further, i wish to settle this trespass honorably when all involved are in dishonor and trespass;

i, require produced post haste WHO is moving this court without claim or contract relied?
ONTARIO is a service corporation... service corporations and their agents do not write law;
Ignorance of law is a maxim in law which is clear all involved in this verified trespass be true;
i, refused to contact with some woman at border or engage with her ignorance to jurisdiction;
i, as every [wo]man unalienable rights from god insure travel freely without delay or hindrance;
Verified in passport insert we the people receive from your crown boss her majesty to uphold;
We the people are not property so all that leaves is who is the [wo]man who claim....

1. This debt be due
2. This debt be true
3. This debt be past due

Failure to produce required verifiable evidence [contract/claim/who] then stop this extortion;
Moving courts under the colour of law is despicable and dishonorable correct the record now;
Lastly the world now knows we have been lied to...there is NO virus or pandemic as FACT;
It is only a matter of time now for all involved in this massive lie are finished truth is coming;
i, advise all involved on the public record to restore the millions you have stolen from the people;
Govern yourselves accordingly truth is coming and nothing is going to stop it or accountability;
All on this communication will contract with me on private side if your trespass continues;
My trespass fee is set at \$1,000,000 per man and or woman involved if trespass not stopped;
i, trust this is crystal clear if not stopped all are liable and will have contracted knowingly:
This 3rd communication gives 24hrs to produce evidence or honorably withdraw this fraud;
We the people are awake to these corrupt court actions by people acting as BAR members;

Regards,

Thomas Charles of the [REDACTED] family

It is written clearly for all Crown agents to uphold trespass has occurred!
